When thoughts return to Orchard View,

The friendships true and mem'ries gay,
come back in glad array
as grateful hearts lift up the song and
give our pledge today,
Our Honor, Pride and Loyalty to
The Cardinal and Grey!

Fellow students,

As I think back on my years at Orchard View, I find myself smiling. I remember the day I came to the high school. Only a freshman and awed at all the upper-classmen. The ceilings were so high and the lockers were so tall. The halls were so large and so crowded. I remember fighting my way down the long, crowded halls trying to find my classes and trying to get there on time. That seems like only yesterday!!

All my memories of O.V. will travel with me wherever I go. I will miss Orchard View High School. Even more than the school, I will miss YOU, my friends. Friendship is what made school so important to me, and friendship will help us all through our rough times. I hope you can value the time you have with your friends, because four years is not a very long time.

I would like to thank the wonderful class of 1982 for their many years of friendship. Also, I would like to dedicate this book to the class with class--the class of 1982!! Good luck, and may God bless you!

Your friend,

Sharon L. Martinez

The number '13' proved to be a lucky number for the 1981 Kids for Kids Drive chairpersons. Their thirteenth year turned out to be the best year as far as raising money is concerned.

The economy was down, but the O.V. kids were up as they went out and worked hard. Dixie Chase and Julie Poort definitely set the pace for all the class people who all worked. They did. Orchard View should be very proud of the fact that the Kids for Kids Drive has been a success for 13 consecutive years, and now has a grand total of almost $25,000.

Thanks to all the students, teachers, adminstrators, and people who made this years drive the success it was.

"The 1981-82 Cardinal football team was labeled by many in the pre-season as mediocre. There was no one exceptional player. But--a total team effort by 31 players produced a Seaway Conference Championship Highlighting this accomplishment were the leadership and excellent performances by the All-Conference picks." With the nucleus of juniors coming back in 1982, and the good attitudes, don't be too surprised to see a repeat performance." says Coach Graham.

"Even though the team had a losing season, they were a much better team than their record shows," says Coach Sharnowski. "With a couple of breaks for them, their record could have been easily reversed."

"There are many good athletes on this team that will help the Varsity Squad next year. With the Juniors from this year, they could have a real good season next year."

"I enjoyed working with these young men and would like to wish them the 'Best of Luck'."

HOMECOMING 81

What a better way to end the victory over Fruitport than with the 81 Homecoming. This years theme, "Ice Castles" was a complete success. The Junior Class, the traditional sponsors of the homecoming activities, spent many long hours in preparation for what proved to be an exciting and happy homecoming.

The king and queen this year were Alaina Anderson and Mike Fuetz.

Congratulations to Mike and Alaina. We wish you the best of luck in the years to come.

Remember,

Many times I've wondered what it would be
like to finally make it through school
Finally be done with tests and quizzes and
all of those silly old rules.
But then I've wondered what it would be
like to be out in this world all alone.
Then I remember my loved ones near
and my happy family and home
I remember my times of fun and laugh-
ter the times with all of my friends
I remember that I'll never be alone
because God's love will never end.

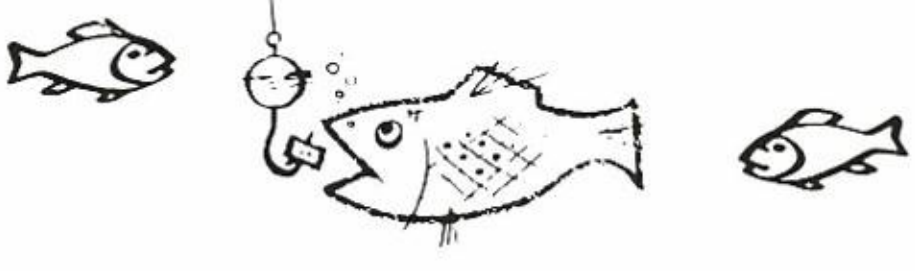
We Thought They'd Never End !!!

Mr. Polanyi



The Orchard View school district is headed for a period of adjustment. The assistant superintendant and the high school principal are retiring after 19 and 23 years, respectively.

John Polanyi, 55, assistant superintendant since the Jolman District annexed to Orchard View in 1963, said he believes 31 years is long enough to be in a profession. Prior to the annexation, he worked in the Jolman District for 12 years, working his way up from teacher to principal to superintendant.

Gerald Sielski, also 55, and the only principal of Orchard View High School, echoed Mr. Polanyi's conviction. "After 32½ years in this profession, I think it's time we let someone else have a chance," said Sielski.

To that someone else, Richard Brothers, and to the successor of Mr. Polanyi, we wish good luck. To Mr. Sielski and Mr. Polanyi, we say thank-you and congratulations on two jobs well done.

Mr. Sielski

Girls

The 1981 Lady Cardinals were one of the most exciting teams in the state. A potent, fast-breaking offense (averaged 65.5 ppg), and a stinging pressure defense (allowed 38.6 ppg), earned them the supreme compliment of being named as the #1 Class B Team by the Detroit Free Press in their final poll. This marked the first time in O.V. history that any team has been so honored.

Among the many other highlights of '81 were a 4th consecutive Seaway Conference Championship, in which a perfect 12-0 mark was recorded; a 2nd consecutive District Title; the extension of their Home Game win streak to 34; record scoring games of 93 & 94 points, and a record quarter of 43 points; an excellent regular season (19-1) and final record (22-2); the breaking of over 75 team and individual records.

The "Cards" were honored in many ways with senior Captain Teresa Anderson being named All-State 1st Team and Colleen Gajeski receiving Honorable Mention. Teresa led the team and Area in scoring (495) points, steals (155) and assists (137), while setting new team records in scoring with 34 points in one game, and 1141 points in a career. Colleen led the team in rebounding (273); 2nd in scoring(326) steals (120), and assists (88), and set the school record for steals in a game with 11. Colleen and Teresa were both All-Area Class A-B 1st Team picks, with Wency Crummel (224 points, 217 rebounds) being accorded Honorable Mention. Teresa, Colleen and Wendy were selected All-Conference 1st Team while Lori Thomas and Sue Glotzbach received Honorable Mention recognition.

The J.V. girls put a very good effort into all of their games this year. Every part of the game was important to them. This team had some of the best game records. There were 12 girls on the team and their record this year was 16-3.

THANKS

This year the yearbook had two very special staffpersons whose efforts should be acknowledged. They are Janis Ewald and Ellen Beerman. The two have worked especially hard in getting things together throughout the year and even into the summer. Without their time, hard work, and dedication, the yearbook would not be such a success. To both of you we wish success in the future, and we extend our sincere THANKS!!

At District Band Festival, the Symphonic Band received straight I's enabling them to go to State Band Festival where they also received a first division.

Mr. Warnaar feels that this year's band was one of the best and that the seniors will be missed.

THE SOUND OF MUSIC

The Cardinal Marching Band pictured here in their traditional pre-game "OV" from which they play the Orchard View High School Fight Song, the Alma Mater, and the National Anthem. From the cheer the band double times onto the field for pre-game, through a half-time with new routines and the latest tunes, the Cardinal Marching Band has come to mean excitement, enthusiasm, and Orchard View pride!

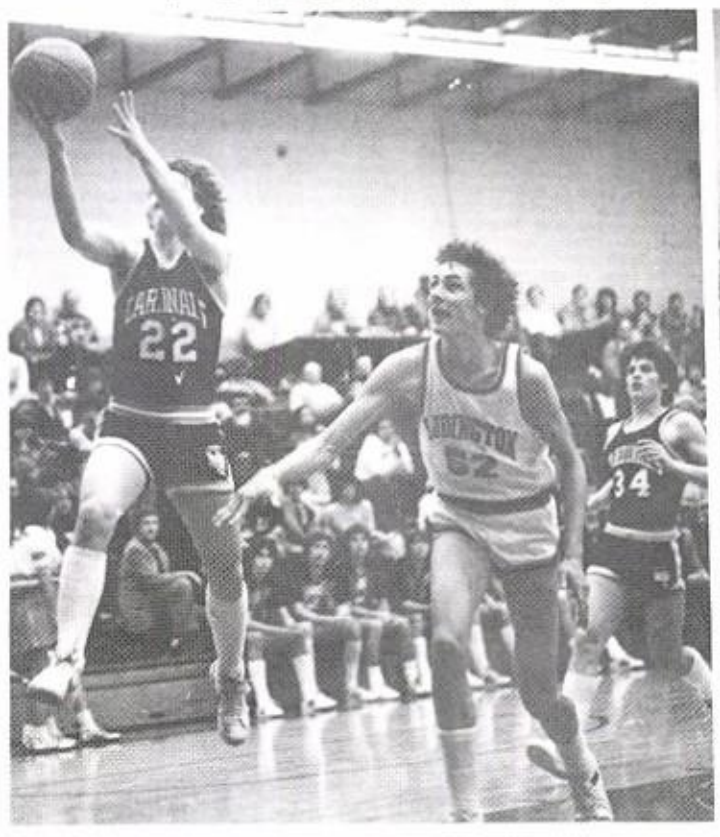
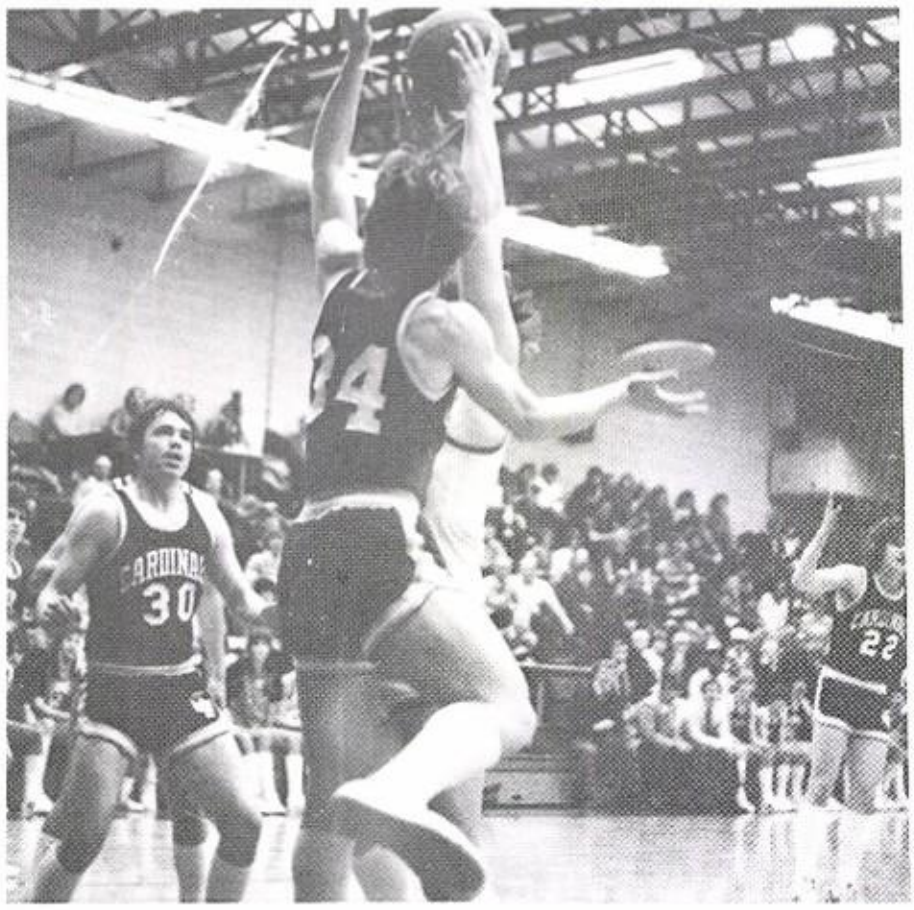
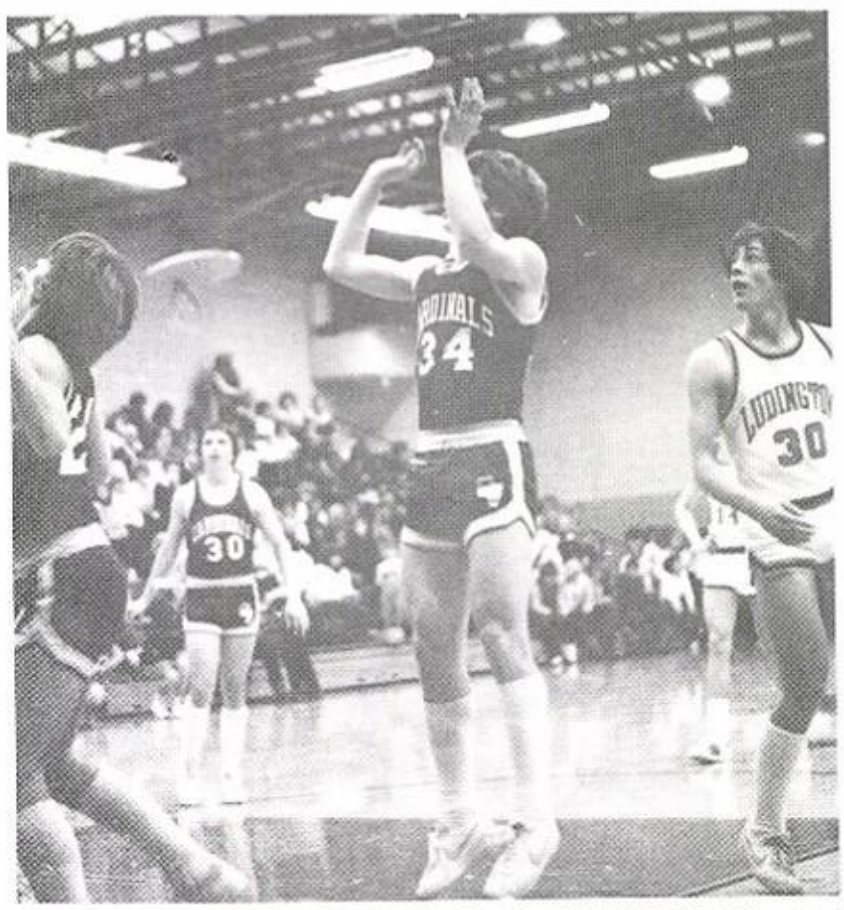
BASKETBALL







The 1981-82 Cardinal Basketball Team will be remembered for quite a number of reasons. Their overall hustle and desire were trademarks that many teams came to respect. The lack of size, as many opponents found out, was overcome by the teams hustle and desire.

The overall record was 13-9 which was good when one looks at the height disadvantage and competition the Cardinals faced. The Seaway record was an even 6-6.

Chosen to the All Conference Team was Mark Jalovec and Bruce Skidmore (who set a school record for assists in a season). Mike Feutz earned Honorable Mention.

For the second year in a row Coach Henry was chosen as the"Coach of the Year" by the Muskegon Chronicle.

Bottom Row : (Left to Right) Brad Evans, Paul Jett, Ron Tottingham, Gary Wood, Jeff Wood. (Missing from photo- Dennis Tabler).

Though the J.V. Basketball team exhibited a sluggish start, they quickly reversed directions, winning seven of their last ten games. Leading the scoring attack were Rich English (averaging 14.7 points per game) and Gary Wood (averaging 11.9 points per game). Coach Larry Lapomarda commented,"They always worked extremely hard". The team finished the season with a 6-6 (win-loss) record.

It was a very good and fun year.

JACQUIE JAWOR

The 1981-82 Girls Volleyball Team must be congratulated. They went from a dismal 80-81 season to an exciting 81-82 season. Although they didn't do that well in the regular season, they travelled to Fremont for the districts and showed excellent talent. They beat a very tough Manistee team to advance to the Semi-finals. Here they beat Cedar Springs to go on to the big finals. Although they were beaten by Fremont in the finals, they did an excellent job throughout the season and should be commended.

1981 and 1982 Regional Champs

The 1982 Girls OVHS Track Team compiled the best record of any track team-boys or girls-to ever compete for Orchard View. The Lady Cardinals performed a feat, in the grandest style that no other OVHS Athletic Team has ever been able to perform. They won the city meet. They were only a few points off doubling second place Mona Shores score. This page and the next shows some of their other track victories. Those not pictured include second place in the Ferris State HS Invitational; 7th in the state meet; 3rd in the West Ottawa Relays; a great showing in the West Michigan All-Star Meet; and 4 first places and a secord place in the Michigan TAC Junior Nationals Qualifier.

The 1982 Boys OVHS Track Team had some very strong individuals, the team improved a great deal, but they did have a losing record. Alan Summerfield often won three first places in dual meets; did very well in big meets, and won his specialty, the 400, in every meet up to the state meet. Steve Wilkinson did very well in the hurdles, the 400, and the 200. Rich English and Vern Farmer did very well as sophmores. We have very promising freshmen and sophmore classes.

This year the yearbook staff was of non-exhistence. The people who did the most work were mainly not even on the yearbook staff,(you will find they're names on page 159). Most were Seniors with very few exceptions. Our advisor was Bryan Harrel who left us when we still had most of the work to do. Our Editor was Sharon Martinez who, at the most crucial part of our production, left to go out West.

Thank you, Mr. Sielski and Mr. Brothers, for all the patience and understanding you gave us while working on the yearbook. You were of great help.

May 22, 1982--a night to be remembered. The music was played and the dance floor was filled. There was no room for sadness as the seniors enjoyed their last high school dance. A sincere thanks goes to the junior class who did a fine job this year. Also to the hostesses--Kiesha Fox, Gina Gerard, Lori Thomas, Cora Wright, Lee Ann Hartman, Diane Ketchum, and Donna McDonald--who kept things running smoothly!

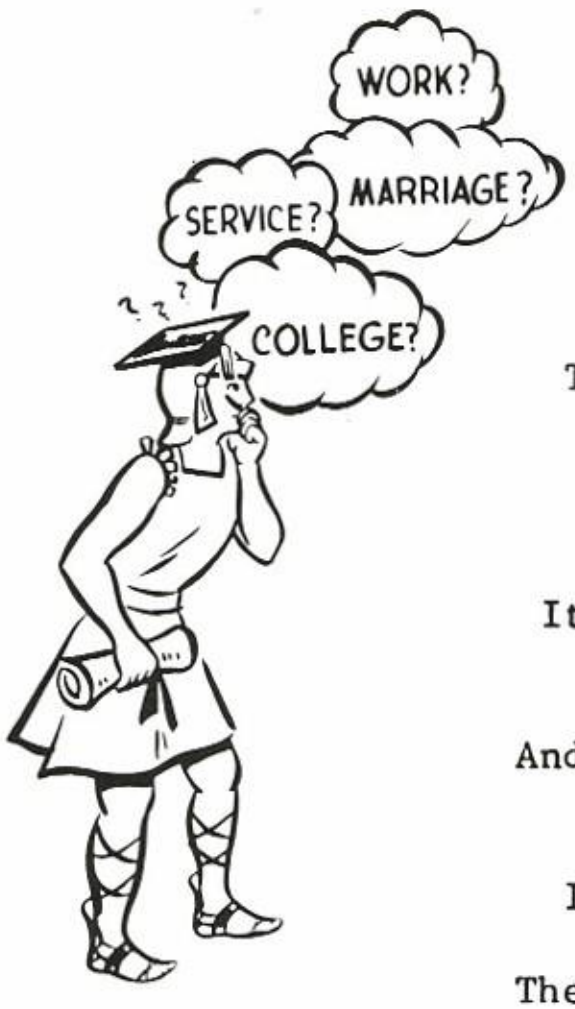
After All The Aggravation Comes The Day Of Graduation



June 3, 1982

IT'S UP TO YOU

A diploma's very special
It's like a golden key
That turns the lock on any door
Marked "opportunity"

But one thing to remember
If you want to get inside--
It's up to you to give the nudge
That swings it open wide

And it's up to you to take the lead
Once you're inside the door
To see if what's behind it
Is what you've been looking for

Then if it is, you have to mold it
Really push it, tug it, too
Till that opportunity becomes
A big success for you

So use your key, but be aware
It's just a key at best
